CORRIGENDUM

Correction to: Incremental Validity of the Trait Emotional Intelligence Questionnaire–Short Form (TEIQue–SF)

A. B. Siegling, Ashley K. Vesely, K. V. Petrides, and Donald H. Saklofske

Volume 97, Number 5, 2015, pp. 525–535, DOI:10.1080/00223891.2015.1013219

The manuscript leading up to the publication underwent considerable transformation during the revision process. In this process, a reference to Siegling, Vesely, and Saklofske (2013), wherein some of the study data had previously been used, was replaced with descriptive information, and a correlation table published in that article was subsequently added. Specifically, the Sample 1 data were used in Siegling et al. (2013) and, with the exception of one case and a few variables, Table 1 is a reprint of the correlation table. The authors regret this error and are pleased to rectify it within this corrigendum.
