Please support the science behind the TEIQue. Please do not photocopy our technical manual.

# Table of contents

|  |    |
|--|----|
| Table of contents.....   | 3  |
| Preface .....  | 6  |
| Chapter 1 Introduction.....  | 7  |
| Selecting a psychometric instrument.....   | 7  |
| Domains of application .....   | 7  |
| Administration .....   | 8  |
| Multiple (bespoke) reports .....   | 8  |
| Frequency of testing .....   | 8  |
| Right and wrong answers .....  | 9  |
| Rating scale .....   | 9  |
| Chapter 2 Background and Theory.....   | 10 |
| Introduction to emotional “intelligence”.....  | 10 |
| Trait EI versus ability EI .....   | 11 |
| The fallacy of ability EI - what emotional “intelligence” is not and cannot be ..... | 11 |
| Psychometric flaws of ability EI tests.....  | 11 |
| The fallacy of self-report measures of emotional “intelligence” .....                | 11 |
| What is trait emotional intelligence? .....  | 12 |
| The sampling domain of trait EI .....  | 13 |
| Trait EI versus other models based on self-report.....                               | 14 |
| Accuracy of self-perceptions.....  | 15 |
| Chapter 3: Psychometrics and standardization of the TEIQue.....                      | 16 |
| Steps in the construction of the TEIQue.....   | 16 |
| Description of the standardization sample.....                                       | 16 |
| Descriptive statistics .....   | 17 |
| Gender differences .....   | 17 |
| Reliabilities.....   | 18 |
| Internal consistency.....  | 18 |
| Test-retest reliability: Stability of scores.....                                    | 20 |
| Factor structure.....  | 22 |
| Cross-cultural data.....   | 24 |
| Chapter 4: Validity.....   | 26 |
| Conceptual/Psychometric validity .....   | 26 |
| Criterion validity .....   | 29 |

|   |    |
|---|----|
| Clinical: Coping styles .....   | 29 |
| Clinical: Dysfunctional attitudes and depression.....                                   | 31 |
| Clinical: Personality disorders .....   | 31 |
| Clinical: Asperger's syndrome .....   | 34 |
| Educational: Academic performance.....  | 36 |
| Educational: Truancy and exclusions.....  | 40 |
| Educational: Trait EI profiles across university faculties .....                        | 40 |
| Social variables: Self-monitoring and aggression .....                                  | 40 |
| Social variables: Humor styles .....  | 41 |
| Art variables: Ballet dancing.....  | 43 |
| Art variables: Length of musical training .....   | 43 |
| Summary of the relationships between TEIQue variables & other constructs .....          | 44 |
| Quantitative genetic analysis of the TEIQue .....                                       | 56 |
| Chapter 5 Interpreting TEIQue scores .....  | 58 |
| Description of TEIQue facets and factors.....   | 59 |
| Facets.....   | 59 |
| Factors.....  | 61 |
| Case studies .....  | 64 |
| Clinical and counseling applications .....  | 69 |
| Diagnosis.....  | 70 |
| Profile distortion (impression management, dissimulation, or faking). ....              | 70 |
| Chapter 6 Advantages of the TEIQue over other questionnaires .....                      | 72 |
| Limitations of the Bar-On EQ-i (Bar-On, 1997).....                                      | 73 |
| Limitations of less widely used questionnaires of "emotional intelligence" or "EQ"..... | 74 |
| Schutte et al. (1998) scale.....  | 74 |
| Trait Meta-Mood Scale (TMMS) .....  | 74 |
| Wong and Law Emotional Intelligence Scale (WLEIS; Wong & Law, 2002).....                | 74 |
| Chapter 7: Other TEIQue forms .....   | 76 |
| TEIQue-SF.....  | 76 |
| TEIQue 360° and 360°-S .....  | 78 |
| Self-other ratings in the context of trait EI theory .....                              | 78 |
| TEIQue-AFF.....   | 80 |
| TEIQue-ASF .....  | 81 |
| TEIQue-CF.....  | 81 |
| References .....  | 84 |
| Appendices .....  | 90 |
| Correct references for the various TEIQue forms.....                                    | 90 |
